

Ogi Port Park Map

Ogi Port Park is the home to this year's Earth Celebration. From the three consecutive nights of Harbour Market Live concerts, the Harbour Market featuring Sado original foods and gifts as well as those from around the world, and to The Fringe celebrating free performances from Kodo members and the general public, guests will fully enjoy this outdoor space over three days.

Furthermore, the first floor of Marine Plaza Ogi will host the EC Information Centre with the latest news about the festival, while the second floor will have official EC goods for sale and many other events. We hope you enjoy it all!
